Who runs Visit Lincolnshire?

Visit Lincolnshire is owned and managed by **Lincolnshire County Council** and has been for a number of years.

The Visit Lincolnshire website is the website that all our guests and visitors see when they type into a search engine, for example, "holiday in Lincolnshire", "I want to visit Lincolnshire", "things to do in Lincolnshire" etc. It is a high performing site. It is the visitor facing brand that our visitors recognise, and that brand is not changing.

Our website sets the scene, entices and inspires people to visit – and then importantly points them to further information on specific destination websites – for example Visit Lincs Coast, Visit Lincoln, Love Lincolnshire Wolds, Discover North East Lincolnshire etc, or **your own business websites**.

Visit Lincolnshire (and therefore LCC) collaborate with ALL district tourism officers and depts to publish visitor information for our county-wide destination website.

Behind the scenes, all of the agencies and stakeholders involved in county tourism collaborate and work together to amplify and champion Lincolnshire as a great place to visit. There is a big job to do and room for all. It doesn't matter at which point you as a business enter this support eco-system, we work together to signpost and introduce you to the most suitable solution.
